

## Sponsorship Program

The Carlisle Swim Club is a private, non-profit, members only swim club located at 1286 South Pitt Street in Carlisle, PA. Established in 1958, we have two pools for our members and their guests to enjoy: a zero entry children's pool with a frog slide and mushroom fountain, and a full-size pool featuring a zero-entry ramp, separate lap swim area, and water slide in the deep end.

Contributions to the Carlisle Swim Club will go toward events and programs offered during the swim season to the club members.
